“ You are my best friends Daddy so I have known you a long long time. I just wanted to say thank you for all the good times and the laughs! The last time we spoke before you got sick we sat at Ingles in Auburn and talked and laughed for over an hour. You told me about the silly things that Baby Doll and Kay Kay had been doing. You told me of the kids aka (dogs) and what they were up too. I just want to tell you that I will do my best to look after Regina and her mama. They are going to be missing you awfully bad. We all are. Go rest high my friend. We love you!
