“ Dr. Clyde I miss you so much! You were my Chiropractor and my Friend. You helped me get through a very sad time in my life with your words of encouragement and your gentle chiropractic care of all my injuries. You and your family became my family and they are as kind and as giving as you were.
I am so very thankful I was given the opportunity to know you in my lifetime. You were a blessing.
You are in the best part of my memories. Mrs. Grace I love you and you are always in my prayers.

“ I just saw this obituary - what a sweet man. He and my parents, Dr. & Mrs. John W. Beach of Commerce, were long time friends. I was a child when we would visit. I also remember he and Grace, despite the busy time of the year, attending my dad's funeral 2 days before Christmas. Prayers for comfort as I know this is hard.

“ I have known Drs Clyde and David for over twenty years. I am convinced that had I not had the benefit of their expertise, I would have been gone years ago.
Dr Clyde had a wonderful and sincere heart for his patients, his fellow church members and more broadly his fellow man that was evident in his life and relationships. He was a disciple of Christ with all that that entails.
Dr Clyde had many hobbies. Chiefly, they were gardening, birding, and photography. He had a real passion and was an expert at all three.
I believe that Dr Clyde was the last Southern gentleman that I remember and I shall always miss him.

“ Dr Clyde; I am so proud to have known him, during a lifetime we have a few people to come into our life and depart a short time later. During that short time they touch our lives in a way that makes us all a better person. Every time my wife and I went to his office he always had a smile to greet us, Dr Clyde Ragland was someone I will never forget and I am so thankful he was part of our lives.

“ Uncle Clyde; Dean, Sherry and Glenda here. We love you and we'll miss you sir. Your smile, your caring nature. Sunshine comes to mind and the tune, "You are my sunshine, my only sunshine You make me happy when skies are gray You'll never know dear, how much WE love you Please don't take OUR sunshine away." He was "sunshine" - to many people. Touched so many lives. GOD has wonderful plans for our Uncle Clyde :0)

“ I’ve been a patient of Dr. Clyde for over fifteen years. His gentle but effective adjustments have been a wonderful part of my wellness plan. He was always joyful & encouraging to his patients (including my immediate family members who also called him their chiropractor). His voluminous knowledge was a great addition to his care for his patients (a friend indeed). He will be truly missed! Thankfully his son Dr David has been taking on his father’s mantle & he & Joanna are loved by us. Our condolences to ALL the family & especially to Mrs Ragland! Prayers going your way today & always.
