“ My mother was a out going and loved life. She so loved animals of all kinds and people for their heart and beauty . She enjoyed gardening and bringing new beauty to life. She had a gift and she passed this on to all of her children.
We will miss her and she is now with Jesus. SHE WATCHED OVER US ALL, GOD JUST GAVE HER A BETTER VIEW.
Mom had a daughter Norma Cork and a grandson Kevin waiting for her and they are all reunited. My grandmother Frances Faulkner (93) passed only a short while ago . I am happy she now knows no pain, no hurt and no heaviness in her heart. She will prepare a place for us all and we will see her again in all her beauty.
My family has been great support and their graciousness will be always remembered. My mother's friends gathered as well and I know my mother was touched by them all .
I would like to thank Carter Funeral Home for their support and kind help though this difficult time . Mr. Carter was so helpful and comforting and Thank you to Todd as well.
Special thanks to my sister n law Gina Etheridge and my aunt Vencil Faulkner Verman . Your help with the Ceremony was so much more than I could have asked for .
Frank Parker my close friend was the minister, and the service was beautiful . I will never be able to thank you enough .
Thank you again , I love you all.
Linda Moon .
