“ Kimberly royster was my everything. She was my world. She was the reason behind every smile I've ever smiled every laugh that I've ever laughed. She made birthdays all about me and she made every Christmas the most magical holiday you could ever imagine. Kim sacrificed so much of her life and her needs just to make sure that I had. She was a beautiful sweet soul. She was loving, caring and gave whatever she had always to help someone else without hesitation and she never expected anything in return except true friendship. Kim was the most beautiful person I've ever known. Kim royster was my momma. Mom I love you soooo much and im happy that you have finally gotten the peace you so desperately longed for. Until we meet again..... Your daughter, lindsay

“ I knew Kim a long time ago when we lived next to her grandparents in Carl. Her mother would bring her and I'd carry her all over the place like she was my baby doll! She was the sweetest child. I know she was a fine lady, too. I am so sorry for your loss and you are all in my prayers. I remember all of you so fondly from my own childhood. God bless and comfort you at this time. Love to you, Joan Murphy

“ Kim was one of my first friends when my family moved to Winder many years ago. She was always kind to me and we shared many laughs as teenagers and caught up with each other again after having grown up and having families of our own. I am sorry to her family and friends for your loss and will keep y'all in my thoughts and prayers in the upcoming days.

“ Dear Martha, Jeff, Lisa, and families of Kim,
It breaks my heart for you to be separated from precious Kim.
I watched her grow into a beautiful young lady and could always see in her the young girl I had known as she babysat my own children.
I miss all of you from the days when we were neighbors. I find that all of those times went by too quickly.
But, I know that your love and memories with Kim will last til you meet her again in heaven.
May the knowledge of the love and care of our Lord Jesus hold and comfort you until then.
My love and blessings,
