“ Lonnie, to you and all your family, we send our thoughts for all of you at this time of your momma's home going. Thank you for your help to us and countless others in our different griefs. Now may the Lord be especially close, giving His peace and strength and joy as you remember the life of your mother. It is one of the tenderest of all losses, so rejoice in many good memories. Prayers for all of you as you lay her to rest!!Sincerely, Rodney and Celeste

“ I thought I saw her face todayIn the sparkle of the morning sun.And then I heard the angel say,"Her work on earth is done."I thought I heard her voice todayThen laugh her hearty laugh.And then I heard the angel say,"There's peace little one at last."I thought I felt her touch todayIn the breeze that rustled by.And then I heard the angel say,"The spirit never dies."I thought that she had left meFor the stars so far above.And then I heard the angel say,"She left you with her love."I thought that I would miss herAnd never find my way.And then I heard the angel say,"She's with you every day."I am honored to say a few words about my Aunt Lillian. She was a cheerful, fun-loving lady who was full of life. Her smile could light up a room and it was infectious. She made everyone around her happy. She was a delight to be around. As a child I remember visiting my aunt when ever possible. My mother and her sister were very close, which meant every time we visited Georgia we visited her. I enjoyed spending time with my aunt and uncle. As I got older my aunt always made an effort to stay involved in my life. She was one of the first people to meet my son. I really appreciated how much she cared and knew I could always count on her for anything I needed.My aunt taught me a lot of valuable skills over the years. When my aunt was placed into the hospital it was a very difficult time for our entire family. Lillian was such a positive and strong lady she never acted down. I will miss my aunt's smile and positive attitude. She was an incredible sister, mother, wife and aunt. She will be missed by a lot of people here today. I wish you peace and will always love you always!!!!Francine

“ As a child I remember celebrating our family reunions with Aunt Lillian & Uncle Albert. Such great memories! But as an adult the one thing that stays with me is that in a world of change, they stayed constant. They farmed the same place, lived in the same house. It is a comforting memory. I know Aunt Lillian is happy being with her husband and the rest of her family who have gone before. Our thoughts go out to Lonnie and his family. God bless.
