“ Many years ago, I met Mike while doing some publicity work for Hi-Hope. This dear fellow made a deep impression on me because of the purity of his soul. He loved his friends at Hi-Hope and often whispered in a soft voice, "Hi-Hoe..." He has come to my mind many, many times over the past dozen or so years, and remembering him always has brought a smile to my heart. What a blessing he was to all of us who loved him.

“ Dear Family....I am now 70 years old and many, many years ago, I babysat Mike and the rest of the family, while you all lived on Wright Street in Winder. We had so much fun and Mike was always so obedient and never gave me any problems. He was a Sweetie! My name is Pam Saunders Clark and my thoughts and prayers are with you all! Love, Pam

“ Mikey will forever be my best friend, brother, and precious baby. It pains me to even be writing this but I know he is no longer suffering. Heaven has finally received their perfect little angel. This past year and a half have been the most gracious because I had the honor of knowing such a pure soul. It saddens me that I was not able to know him longer like I wanted to. He lived a good life and I know that it was he's time to go but it's still hard to accept. He was loved by so many and had a strong support through his years. I commend all that his 3 strong willed sister did throughout the years to protect their brother. I am deeply sorry for what their family has lost. His memory will never be forgotten and I'm going to miss him so much. His smile and laughter brought so much joy to me and so many others. His love and kindness surprised us all. His silliness made you happy especially when he started shaking his little butt at you. Now my little man was still stubborn at times but I didn't care because he was so precious. I remember a time I was sick and coughing so bad that Mikey turned to me with concern and began to rub on me to check and see if I was okay. Even with his condition he was extremely smart and caring. He touched so many of our lives in ways we can only dream of doing. It has been a privilege of mine to have known him. Sigh this is really beyond hard for me because I am going to miss coming in each time and being welcomed by him with his big hugs and beautiful smile. I just wish I had more time with him. Winder Health Care will forever miss having him stroll through the halls smiling, screaming, and calling his momma. Mike Holman will forever be in my heart and I will continue to love him forever. Momma finally came to get him. Rest In Peace my baby and I'll see again later.
